Re: Application Serial No. 10/058,969
Applicant: Robert C. Rajewski
Title: UTILITY POLE INSTALLATION SYSTEM
Art Unit: 3652
Examiner Donald Underwood
Filed: January 30, 2002

In accordance with 37 CFR 1.97 and 1.98, and in recognition of the duty of disclosure set forth in 37 CFR 1.56, Applicant hereby submits an information disclosure statement including a listing of information of which Applicant is aware and a copy of each listed item.

The undersigned hereby certifies that no item of information contained in the attached information disclosure statement to the knowledge of the person signing this statement after making reasonable enquiry was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the statement.

The examiner issued a notice of allowance in this case on September 28, 2004, and refused to enter this information disclosure statement, which was initially filed August 14, 2004. Since the undersigned received the documents after receipt of an official action from the Canadian Patent Office on August 13, 2004, applicant remains within the three month period for submission of the information disclosure statement. Please charge the required fee of \$230 or such other amount that is required to deposit account no. 12-0434. A duplicate copy of this sheet is enclosed. Please consider the information disclosure statement.

Respectfully submitted and faxed to the USPTO on October 12, 2004, with copy of information disclosure statement and references.
